

*Delicious Food. Great Atmosphere. Good Times.*

# Welcome Aboard...

In the 1950's and 60's, a small ice cream stand stood on this property. During the summer months, visitors to Lake Wallenpaupack would be sure to stop by for an ice cream and a round of miniature golf, which was located adjacent to the ice cream stand.

In the late 1970's, Jack Rose, a native New Yorker, purchased the property and relocated to the area. He constructed a new restaurant ~ SUNSET GROVE

Known for its unique rustic décor with tables made from large tree trunks, as well as a great place for families and friends to gather for breakfast, lunch, or dinner, Sunset Grove quickly grew into one of the most popular spots on the lake.

In 1998 the property was purchased by The Kiesendahl Family, owners of Woodloch, an award-winning year round family destination resort. The Kiesendahls and their gracious staff have been providing a tradition of excellence and warm hospitality since 1958.

Renovation and new construction to the building was started in the fall of 1998, and the newly named BOAT HOUSE RESTAURANT opened its doors to the public in May of 1999.

The Boat House has grown into the most popular spot on the lake for all ages. Good food and drink, a warm ambience, an enthusiastic staff, and the stunning sunsets amid the natural beauty of Lake Wallenpaupack have made the Boat House "the place to be" year-round for family and friends.

We thank you for your patronage, and look forward to continuing to serve you, your family and friends.
