

GOLF INSTRUCTION

At Woodloch Springs, we stress the fundamental skills found in all great players. Our staff of PGA Professionals, led by John Pillar, Director of Golf, tailor this to each individual player based on body type, athletic ability and natural tendencies to provide you with a game that is easily repeatable and enjoyable for years to come. Whether you're looking to lower your score or just learn the basics, our staff will teach you specific skills your game needs most.

Private lessons are available and should be scheduled prior to your arrival. Instruction takes place at our 16-acre practice facility, just three minutes from the Clubhouse.
